Dear Mr Nautiyal,

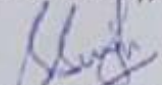

**Uttarakhand Start up Policy**

At CII we are happy to take note of the initiatives taken by the state government in promoting a culture of Start-ups and Entrepreneurship which we believe will significantly contribute to the economic development and employment generation in the state of Uttarakhand.

CII had given its inputs in the framing of the start-up policy and we would like to reiterate our support to the budding entrepreneurs in the state by way of mentorship by senior industry leaders, we would continue to engage with the state government in giving a further boost to the start-up culture in the state and our commendations to GoUK on the initiatives taken.

With kind regards,

Yours sincerely,

  
Sumanpreet Singh
