Office Memorandum

This is to inform to all the entities willing to setup their establishment and/or operation in Uttarakhand that a comprehensive list of approvals they may require for setting up and starting of a business in Uttarakhand are available at Invest Uttarakhand Portal which can be accessed at <https://investuttarakhand.com/check-services>

They entities will be required to provide some details to know the clearances and approvals required. This is an updated list as on 1st September 2019.
