TO WHOMSOEVER IT MAY CONCERN

The university has Technology Business Incubator (TBI), called TBI, GEU for innovation and entrepreneurship development funded by NSTEDB, DST, Govt. of India under the supervision of Prof. V K Tewari. As per recent announcement by the Prime Minister, the startup projects from this state are to be submitted through TBI only. So far twenty one startup projects have been approved by DIPP, GOI as startups in addition 15 queries already in the pipeline.

TBI, GEU and Department of Industries Govt. of Uttarakhand are providing support for startups and will extend all kind of help to the startups in the State.

We thank Government of Uttarakhand for supporting innovation and entrepreneurship.

With regards

(Prof. V.K.Tewari)
